

MARY

SC 1  
MARY SIDES

John and Mary share a booth. Mid-conversation.

start

JOHN  
I should talk to him.

MARY  
(not a good idea...)  
My Dad's being my Dad, John. It's not you.

JOHN  
How is it not me? He's been like this for how many years?

MARY  
He's just protective of me, that's all. He doesn't want me to--

JOHN  
(a little edge)  
--hook up with a mechanic from a family of mechanics?

MARY  
No. Hey... I love you. For exactly what you are.

John shrugs. Mary stands. Smiles cheerily.

MARY (CONT'D)  
Be right back.

SC 2  
Mary lays on her bed, flips through a STACK of RECORD ALBUMS.  
JEFF KNOCKS QUIETLY on the open door.

start

JEFF  
I'm shoving off. Just wanted to say goodbye.

MARY  
Really? So soon?

JEFF  
Yep-- job to do.  
(a beat)  
Hey Mary? For what it's worth?  
Doesn't matter what your Pop thinks. I like that John kid.

Supernatural

MARY  
(surprised)  
You do?

JEFF  
I think you guys are meant to be.  
Hell, I'm depending on it.

MARY  
What?

JEFF  
Hey. Can... can I ask you a  
question?  
(Mary shrugs, sure)  
What's he like? John?

MARY  
I don't know. He's sweet. Even  
after everything overseas... didn't  
make him bitter. Believes in  
happily-ever-after, you know?

Beat.

MARY (CONT'D)  
Can I tell you something? He's  
gonna ask me to marry him.  
Tomorrow, I think.

JEFF  
Yeah?

MARY  
Dad's gonna freak.  
(quieter, determined)  
But I don't care. I'll run away if  
I have to. I just... I love John

JEFF  
Mary? Can I tell you something?

MARY  
Sure.

JEFF  
Even if this sounds really weird...  
promise me you'll remember.

MARY  
Okay...

JEFF

On November 2, 1983... don't get  
out of bed. No matter what you see  
or hear. Please.

Mary takes that in. Smiles gently.

MARY

You are strange.

(a beat)

Still. There's something about  
you. Can't put my finger on it...

Mary and John. Inside the car. John is anxious, he's about  
to pop the question. Mary knows this... and is conflicted.

JOHN

Guess it's no secret why I brought  
you way out here.

MARY

John...

John pulls out the RING BOX. Mary's eyes widen... it's the  
moment she's dreamed of... but still.

JOHN

Just...let me get through this,  
okay?

MARY

Wait.

(a beat)

What if something happens to you.

John takes that in. And then opens the box and presents the  
ENGAGEMENT RING to Mary.

JOHN

Nothing is going to happen. I'll  
always love you.

Mary is moved. Suddenly, WHAM! WHAM! WHAM! A HAND SLAPS  
AGAINST MARY'S WINDOW. The DOOR SWINGS OPEN... it's SAMUEL.

SAMUEL

What did I tell you!

MARY

Dad!

Samuel reaches in... PULLS MARY FROM THE CAR.

SC 3

~~start~~

SAMUEL

Let's go!

MARY

Ow, Dad!

John steps out of the car.

JOHN

Sir, just listen--

SAMUEL

You! Stay away from her.

Samuel yanks Mary roughly away...

MARY

You're hurting me...
